# Branding

The Socialcast logo includes two colors and should always be placed on a white, or very light background.

The symbol and label should not be separated, unless designed for a specific purpose, such as for the mobile app.

in the Socialcast web and desktop app interfaces the logo should be placed inside a 30 px high container

The Socialcast symbol can be separated from the full logo in some specific branded cases, as in the case with the mobile app

# Modals

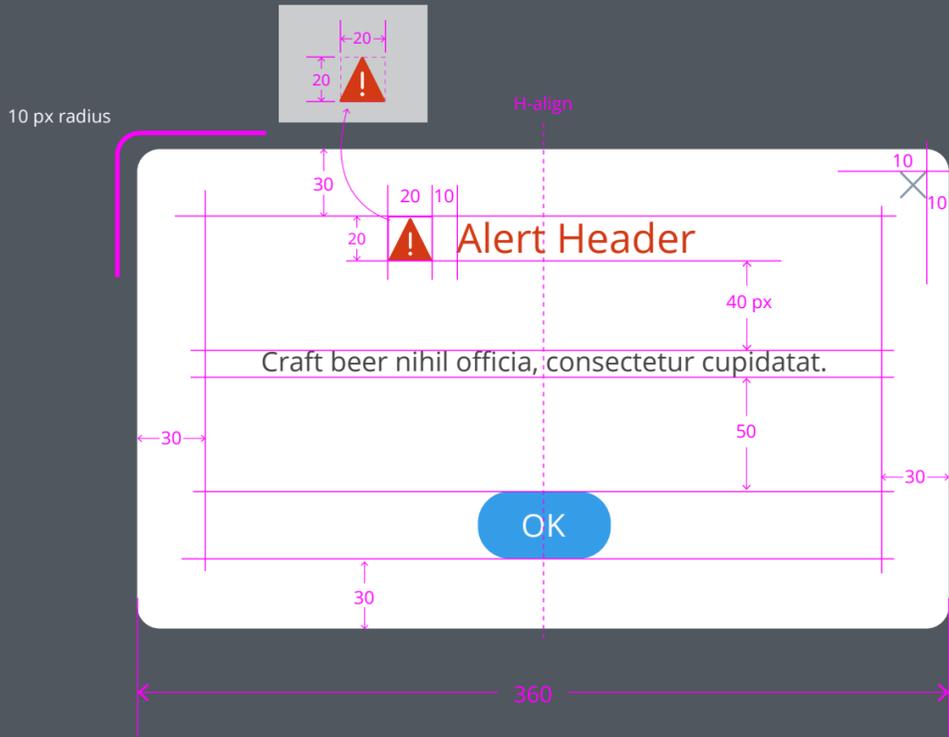

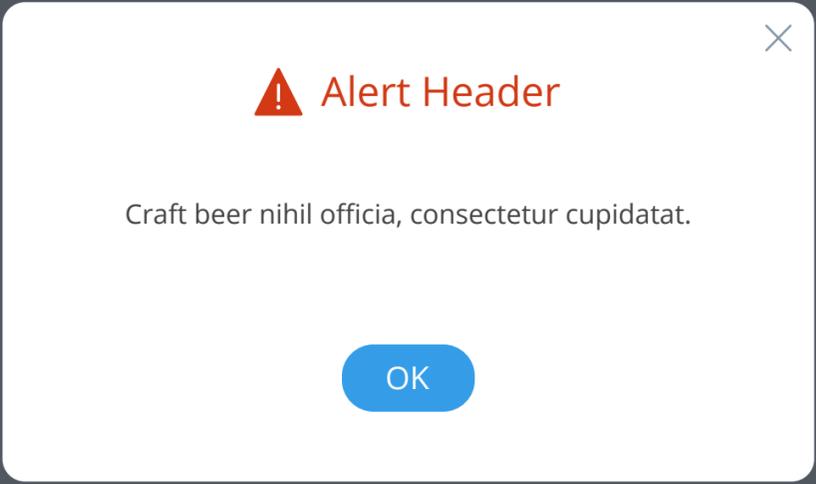

Modals - - Small, 1, 2, and 3 line info

Modal width - 360 px

Body width - 300 px

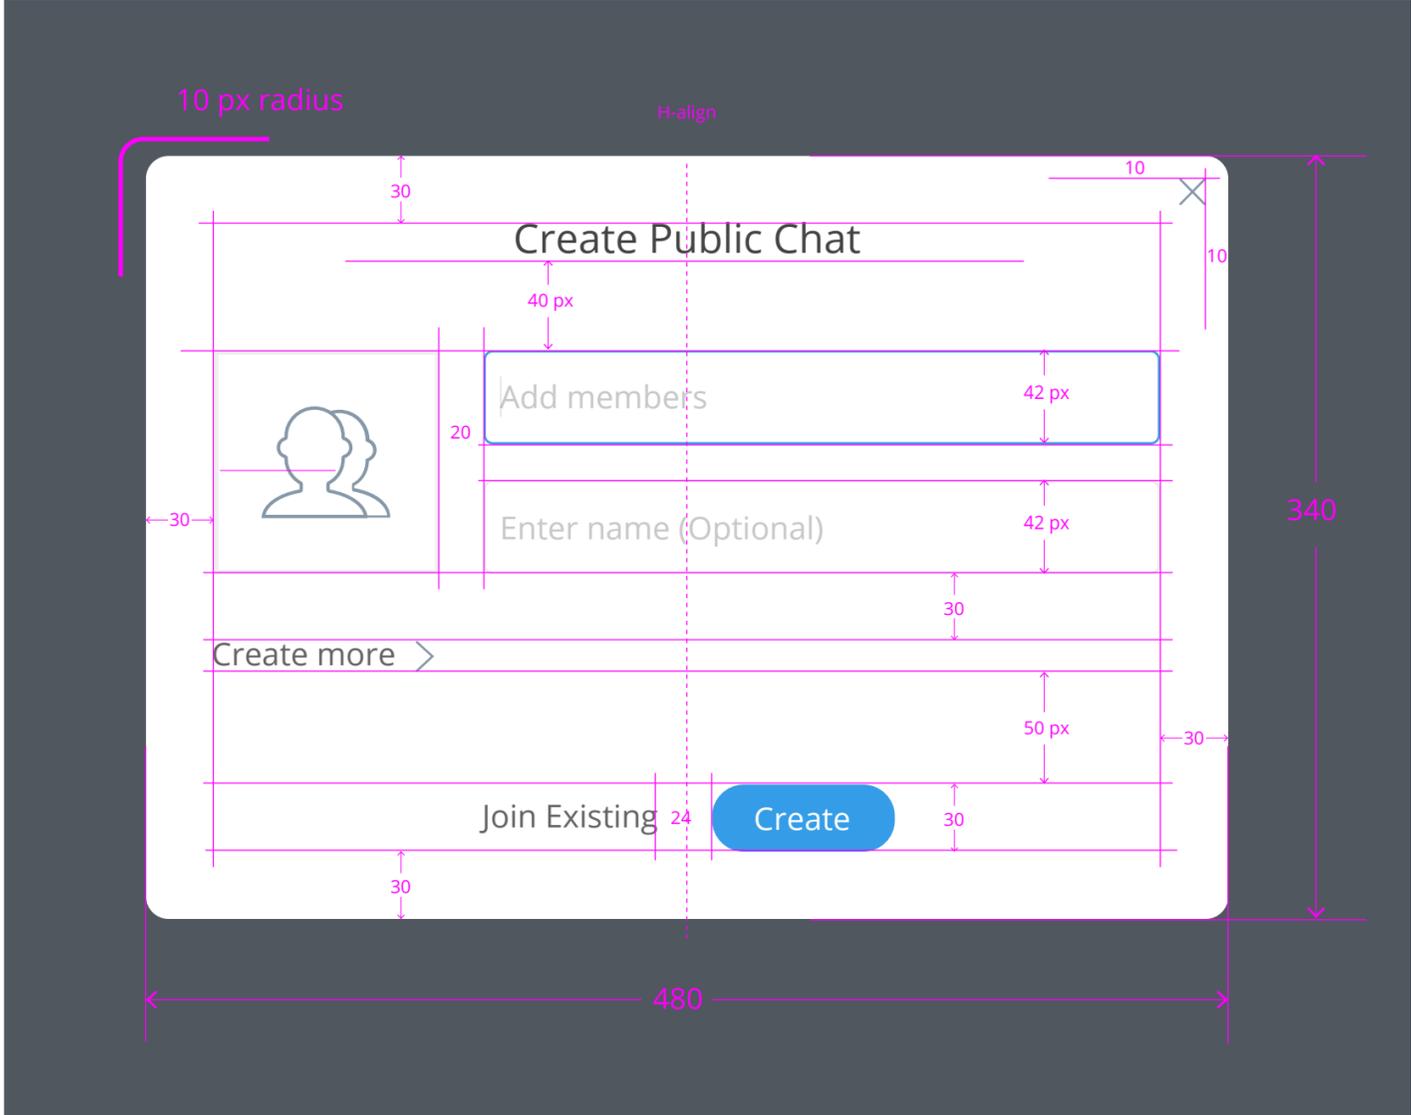

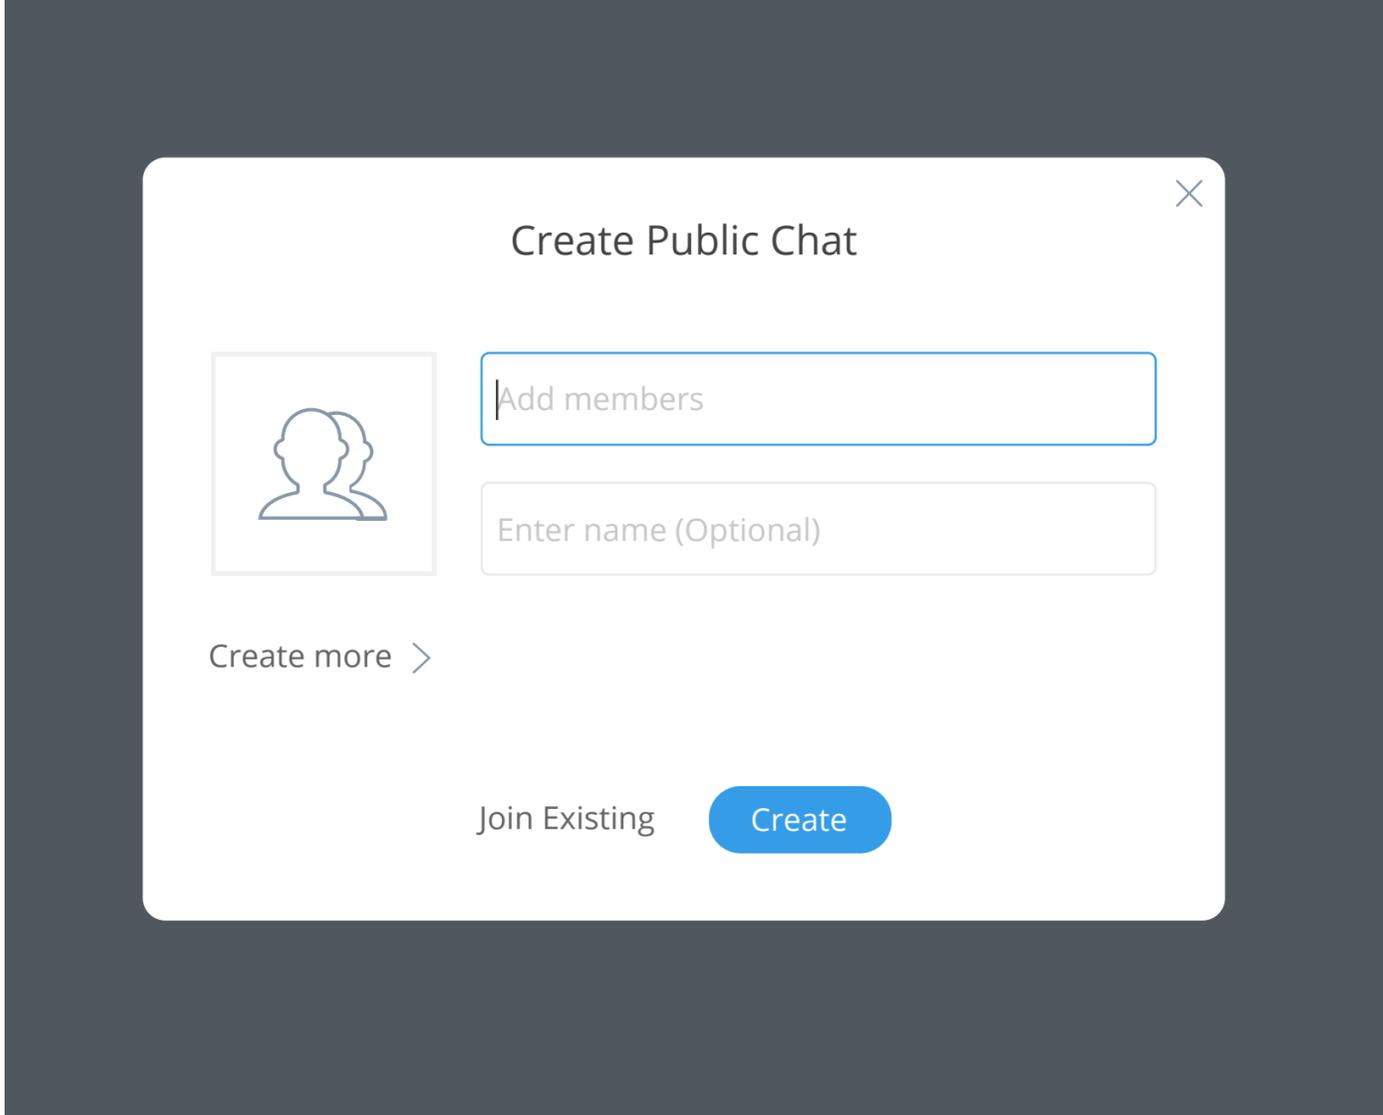

The image displays three modal designs for different text lengths: 1 line, 2 lines, and 3 lines. Each modal is white with rounded corners and a dark grey background. The 1-line modal contains the text "Craft beer nihil officia, consectetur cupidatat." and an "OK" button. The 2-line modal contains "Craft beer nihil officia, consectetur cupidatat exercitation blue bottle asyumenda." and an "OK" button. The 3-line modal contains "Craft beer nihil officia, consectetur cupidatat exercitation blue bottle assumenda fixie XOXO brunch. You probably haven't heard of them." and an "OK" button. Below each modal is a dimension diagram showing a 360px width and 30px padding. The diagrams specify a 10px radius for the corners, a 30px header height, a 40px text height, and a 50px button height. A vertical dashed line indicates horizontal alignment.
